**REQUEST FOR RETURN OF INITIALED FORM PTO-1449**

Sir:

Pursuant to MPEP §609, Applicant hereby respectfully requests that the Examiner initial the enclosed copy of the originally-submitted Form PTO-1449 in the appropriate place in the left-hand column as proof that the listed Japanese patent document has been considered and made of record. The basis for Applicant's request is explained in detail below.

Applicant submitted a timely Information Disclosure Statement and Form PTO-1449 concurrently with the filing of the present application. The Form PTO-1449 lists references including a Japanese patent document, No. 3212311, Mock et al. However, the Examiner has apparently refused to consider the Japanese patent document.

Applicant has no duty to include a complete translation if such a translation is not in Applicant's possession. (See MPEP §609 III A(2), Aug. 2001.) Because no complete translation was included,

Serial No. 10/602,699

the Examiner must consider the Japanese patent document in view of the concise explanation given on page 1, lines 18 – 20.

Therefore, Applicant respectfully requests that the Examiner consider Japanese patent document listed on the Form PTO-1449 in view of the discussion on page 1 of the specification, initial the copy of the original Form PTO-1449 and return a copy of the initialed form to the undersigned as soon as possible.

Although no fees are believed to be due, permission is hereby given to charge any unanticipated fees to Deposit Account No. 50-1147.

Respectfully submitted,
